

# Ants are Fun

I have an ant farm. It is fun to see the little ants run up

the paths. Friend, do you want to see? You can help me with my ant farm. We can have so much fun with it.

Yes, please. I want to see it. Thank you. I am happy to help you with it. Where is it?

My ant farm is here on the table. I have sand and little

black ants. The ants dug a big path in the sand. Look at that ant go up the path. He is not very big, but he can go up the path.

Here is a snack we can give to the ants. Friend, do you want to give the ants a snack? Please give the ants just one.

1

Yes, I want to give the ants a snack. It is so much fun to help you with the snack.

Look at the ants go up to the grape! My ants like grapes.

I do not give my ants lettuce. My ants do not like lettuce.

It is so much fun to see the ants run to the grape.

## Ants are Fun, Part 2

We had fun with your ant farm. Thank you! It was fun to

see the ants run up the sand paths. They ran so fast! It was fun to see the ants have a snack. I am happy that you have ants. Ants are fun!
